3. Claims 1-24 are allowed.

4. The following is an examiner's statement of reasons for allowance:

The present invention provides a new apparatus, method and computer readable

Particularly, the new apparatus, method and computer readable medium comprise the following features, which the prior art taken either singly or in combination does not teach:

- representative color extracting means/step... and the (reduced) multilevel image (see independent claims 1, 17, 19, 21 and 23);
- input means/step... or inverted character region (see independent claims 16, 18 and 20).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
